LUXURY YACHT & BOAT COLLECTION TOP TEN

MY AICON 72 SL

AICON 72 SL is a luxurious boat, conceived paying attention to the smallest of details to offer our guests a unique experience. Large areas at the stern and the bow with a big sunbathing zone give clients the opportunity to enjoy the breeze while sunbathing. Launched in 2011, AICON 72 SL can host up to 12 passengers for daily excursions and 8 passengers for a cruise or overnight stay. AICON 72 SL was entirely refitted in 2016, both internally and externally; it features a dive platform and a big after peak where the tender is located, able to reach the most enchanting hidden places. AICON 72 SL has a large and luxurious living area with a hard top, air conditioning throughout, a satellite TV, an intercom and internet connection.

With a speed of 35 kts and thanks to its operating time, this vessel can reach wonderful places directly, such as the Aeolian Islands, Sardinia and Sicily. AICON 72 SL is the perfect solution for a luxurious daily excursion or a weekly cruise with all mod cons, in complete safety.
