LUXURY YACHT & BOAT COLLECTION

MY FAIRLINE SQUADRON 74

FAIRLINE SQUADRON 74 is a luxury motor yacht built by Fairline in 2006. It has a lovely contemporary interior: the salon, designed to guarantee a sophisticated yet comfortable atmosphere, features high quality gloss woods, light cream leather sofas and up to date entertainment equipment. Forward the salon, the formal dining space offers ample seating for 8 guests. Both the salon and the dining area boast wonderful natural light thanks to their large panoramic windows. The yacht can accommodate up to 8 guests in four cosy guests cabins (one Master, one VIP and two twin cabins), all air conditioned and with en-suite toilets. All cabins have gorgeous caramel wood finishes, neutral toned walls and flooring, ample storage and plenty of natural sunlight. The beautiful exteriors of Askim feature a fly bridge with seating area that provides ample space for leisure, a spacious aft deck right off the salon that offers an alfresco dining option and an extended swim platform below. Separate crew cabin.
